Fáilte an Uachtaráin

Tá áthas orm fáilte a fhearadh romhaibh inniu, lá deasghnátha agus ceiliúrtha. Tá céimithe, aíonna agus baill fhoirne de chuid DIT Shráid Chaoimhín cruinnithe i Halla Uí Ghlíósáin anseo ar ócáid bhliantiúil Shearmanas Bhronnta na nGradam.

Is lá iontach é seo daoibh siúd atá ar tí bhur gcéimnithe. Is buaic é ar na blianta staidéir fhónta san Institiúid agus is marc tábhachtach é i dtógáil bhur saolréanna amach anseo. Tréaslaím sibh as bhur saothar agus bhur ngaisce, agus molaim bhur gclanna agus bhur gcairde as a n-íobairt agus a dtacaíocht thar na blianta. Fosta tréaslaím gach ball foirne - idir léachtóirí, teicneoirí, riarthóirí agus lucht cabhraithe eile - as na torthaí ar a sár-obair agus a ndúthracht, ar léiriú sibhse orthu. Sibhse atá ag tosú ar bhur saolréanna, ba mhaith liom féin gach rath a ghuí oraibh amach anseo.

Is lá fíor-thábhachtach é seo freisin i saol na hInstitiúide i gcoitinne mar is marc foirmiúil é ar aistriú nua-eolais agus scileanna chuig glún nua daoine óga, d'fhonn dul chun cinn leanúnach a chinntiú i bhforbairt na tíre agus an gheilleagair. Tá sé de cheangal ar an Institiúid an t-am ar fad an caighdeán is airde a bhaint amach, trí chúrsaí acadúla ard-leibhéil a choimeád ar siúl agus áiseanna oideachais agus deiseanna forbartha a dhéanamh insroichte do dhaoine de gach aois as gach cearn den tír. Bíonn cúrsaí lánaimseartha agus páirtaimseartha ar fáil anseo ó mhaidin go hoíche. Taobh istigh den Institiúid bíonn tréaniarracht á déanamh an t-am ar fad na foirgnimh a fheabhsú, na trealaimh shaotharlainne a athnuachan agus na háiseanna tacaíthe a fhorbairt. Earcaítear baill fhoirne den chaighdeán is airde ina réimsí cuí agus spreagtar iad a gcuid eolais a leathnú trí thaighde agus tú fhorbairt. Déanann an saothar seo caighdeáin acadúla a ráthú, cinntíonn go bhfuil cláracha na hInstitiúide ábhartha maidir le cúrsaí tráchtála, tionsclaíochta agus ealaíona, agus cothaíonn seirbhís den chéad scoth do na mic/iníonacha léinn.

Is í an DIT an chéad Institiúid de leibhéal ollscoile in Éirinn a chuir próisis chuimsitheacha Chinntiú Caighdeán i gcrích maidir lena cuid chláracha uile. Tá an saothar ceannródaíoch seo mar bhunchloch i bhaint amach na caighdeán acadúla den chéad scoth i ngach Scoil agus Roinn.

Tá athruithe suntasacha tagtha ar an Institiúid ó thosaig sibh ar bhur gcuid staidéar, ach tá ceangal fós uirthi coincheap nua oideachais, de leibhéal ollscoile, a chur chun cinn in Éirinn. Coincheap is ea é seo atá bunaithe ar an dá phrionsabal - caighdeán acadúil den chéad scoth agus feidhmiúlacht ghairmiúil - ionas go gcuardaíonn an Institiúid a bheith i ngar do shaol an tionscail agus an ghnó.

Anois, agus an chéad chuid de bhur staidéir fhoirmiúla críochnaithe agaibh, tá dóchas orainn go bhfanfaidh sibh i deagmháil leis an Institiúid trí Chumann na gCéimithe, cumann atá ag fás an t-am ar fad.

Dr. Brendan Goldsmith (Uachtarán)

Welcome by the President

I am pleased to extend a warm welcome to you on this day of ceremony and celebration. Graduands, guests and staff of the Faculty of Science are gathered here in the Gleeson Hall, on the occasion of the annual Graduation Ceremony.

This is a wonderful day for those of you who are about to graduate. It marks the culmination of several years of productive study in this Institute and is a significant milestone in the formation of your careers. I congratulate you all on your work and achievements, and commend your families and friends on their years of sacrifice and support. The staff of the Institute - lecturers, technicians and those in administrative and support functions - I also congratulate on the results of their outstanding work and dedication, which you represent. As you embark on your careers, I would like to express my best wishes for your future success in life.

This is also an important day in the life of the Institute as it formally marks the passing on of modern knowledge and skills to a new generation of young adults, thereby ensuring continuing progress in the development of this country and its economy. DIT continues in its commitment to the pursuit of excellence through maintaining high academic standards and providing educational facilities and development opportunities which are accessible to all age groups in the community. Facilities are provided for both part-time and full-time study through both day and evening courses. There is continuing effort to improve buildings, update laboratory equipment and improve support facilities. Staff, recruited on the basis of the attainment of the highest standard of excellence in their respective fields, are encouraged to advance their knowledge through involvement in research and development. This work not only guarantees academic standards but also ensures relevance to the needs of the commercial, industrial and artistic worlds and sustains a very high level of service to students.

DIT is the first national university-level institution to adopt comprehensive Quality Assurance procedures in relation to all its programmes. This pioneering activity is central to the attainment of the best possible academic standards and performance in every School and Department.

The Institute has undoubtedly seen significant changes since many of you commenced your studies but it remains committed to pioneering a new concept of university-level education in Ireland, a concept based on the twin principles of academic excellence and professional practicality which leads it to espouse unashamedly a closeness to the world of industry and commerce.

We hope now that the first phase of your formal studies is complete, you will stay in touch with the Institute through our expanding Alumni Association.

Dr. Brendan Goldsmith (President)
